

Goshen Junior Football League

2010

The Goshen Junior Football League Officials are planning for the 2010 season and would like your help to insure that this is another successful year.

The Goshen Junior Football League is an instructional league designed to teach the 4th, 5th and 6th grade youth's (2010-2011 school year) basic fundamentals and skills of tackle football in a team format. **Emphasis is placed on having fun** while learning and not to encourage an individual-oriented competitive attitude. All adults serving as coaches, officials, helpers and directors are volunteers who are committed to accomplishing the JFL goals. We respect the youths who are participating in the league and strive to aid in their development.

We are planning on conducting a Pre Registration at the

Goshen Little League Baseball Fields

Those planning on participating must have a parent or legal guardian attend the registration with them. **You must provide insurance information at this time.**
