

2009 Goshen Football FREE Quarterback Skills Camp

Dates: July 15th , 16th

Time: 7-8:30 pm

Location: Goshen High School Practice Field (Behind Phend Field)

Ages: Boys who attend Goshen Schools entering 3rd - 9th grade

Participants will work with Goshen High School staff members and players to develop their QB skills. Each player will work on proper grip, taking a snap, hand-offs, play fakes, footwork, and throwing mechanics. Players will also learn drills that they can do on their own to become a better QB. This camp is open to anyone that would like to learn about the position—not just those with QB experience. There is no cost—we just ask that players show up on time and ready to learn.

Players should be dressed in shorts, t-shirts, and cleats (or tennis shoes). Water will be available at the practice field and footballs will be provided.

To register for the camp or to ask questions, please contact Coach Todd Kirkton by phone (238-3716) or email (tkirkton@goshenschools.org). You may register by phone or email and bring the waiver along with you. Forms and other information about middle school or JFL football can also be found at www.goshenfootball.com.

Name of Camper: _____ Grade entering 2009-10: _____

School: _____
